

MN-81-13 Measuring tapes basic

Retractable measuring tapes Basic II class of precision with two mechanism stopping the tape

Features & benefits

- The meter meets the EU requirements acc. to II class of precision (measurement error may be equal to $\pm 0.7\text{mm}$ per 2 m)
- Yellow steel tape is highly visible during measurements
- Two rivets fastening measuring catch improve durability
- Two alternative mechanisms stopping the tape improve functionality of the tape measure
- Rubber-lined housing does not slip out of hands
- Catch allowing easier transportation
- Wide tape ensures stiffness and therefore comfort of measurements on longer sections

Applications

- Retractable measuring tape is one of the most basic tools for each DIY enthusiast and building worker. Is irreplaceable for most construction and repair works

Users

- DIY enthusiasts
- Road workers
- Fitters
- Joiners
- Roofers
