

MN-81-18 Metal measuring tapes profi

Retractable measuring tapes Metal Profi with rubber-lined metal body

Features & benefits

- The meter meets the EU requirements acc. to II class of precision (measurement error may be equal to $\pm 0.7\text{mm}$ per 2 m)
- Metal housing with additional rubber lining ensures maximum resistance to vibrations
- White measuring tape is well visible during measurements
- Special additional coat on tape extends its service life and reduces abrasion
- Three rivets fastening measuring catch connect them durably with the tape
- Measuring tape MN-81-185 equipped with a magnet

Applications

- Retractable measuring tape is one of the most basic tools for each DIY enthusiast and building worker. Is irreplaceable for most construction and repair works

Users

- DIY enthusiasts
- Roofers
- Fitters
- Joiners
